Hi Aram! So sorry I missed your calls. We closed the office early today for the holiday. Yes, it's fine for the Councilmember to speak right at 3:30. I have listed him first on the agenda. I think just an overview of things your office is working on would be great! Of course they are always interested in learning about next steps for street vending ordinance and any homelessness initiatives you are working on.

Please let me know if you have any additional questions. I check my email pretty regularly.

See you Tuesday!

Nicole

Nicole, I am heading out of the office and won't be in until Tuesday. So if you can, until then, please let me know via email if you want CM to start right at 3:30? Whether the board is fine with him speaking first, then doing Q&A? Any specific topics you guys want him to talk about?

Thanks
